

# About The Greenway Manor

The Greenway Manor Hotel is a charming Manor House dating back to 1730. The main manor house sits within 18 acres of beautiful gardens ideal for relaxing and absorbing the ambiance and beauty of the manor and surrounding area.

The long driveway leading to the manor sets the scene as you enter into a wonderful old house with large open fire places, a charming Restaurant and cosy Bar.

The location is perfect for wedding events large and small, being intimately located in Waterford's countryside, yet only a few short miles from Waterford's vibrant city centre with its many restaurants bars, clubs and theaters.

A short drive in the opposite direction to town leads to beautiful sandy coves and breathtaking mountain views.

From the Greenway Manor Hotel is only a short walk or cycle to join the Waterford Greenway. The old railway line from Waterford City to Dungarvan, a spectacular 46km off-road cycling and walking trail which travels through time and nature across eleven bridges, three tall viaducts and a long atmospheric tunnel, all the way from river to the sea.

We look forward to welcoming you to Greenway Manor Hotel.
